ABOUT INTELLECT AGENCY

The event is organized by Intellect Consulting - Educational Agency, one of the leading in international education in the Kazakh market. Established in 1996, Intellect Agency has become one of the pioneering organizations in Kazakhstan which opened the world of new opportunities and provided counselling services to people who wanted to study abroad.

Our main office is located in Almaty (KZ) whilst Intellect's second office is situated in London, UK. We successfully work with clients from all regions of Kazakhstan and CIS, counselling on international education and providing a full service for those who wish to apply: starting from program and institution choice to visa support and pre-departure instruction.

Intellect Agency has been organizing educational events for more than 17 years. In 2003, we hosted a fair dedicated to international education that was the first of its kind in Kazakhstan. We have been organizing promotional and recruitment events on an annual basis ever since. We believe that educational events are a great starting point for both our students, interested in education abroad, and for our partners, who want to recruit and strengthen their positions, brand awareness and recognition on the market of Kazakhstan.
